Warm Roof

Conservatory too hot in the Summer & Cold in the Winter?
Classic have the answer to this problem.
Fantastic low U-Value, structurally very strong, roof complies with Building regulations. Choice of Tile Colour & Finish, Velux Option, Led Flush Lights and Plastered Finish.

Conservatories

A top quality conservatory can transform your home and is a great way to add that all important extra space and value to your home. Classic conservatories are built to last.

Windows & Doors

Fabulous top quality "A" Energy Rated Windows & Doors in a large range of colours and styles to suit your taste. Make your home Warmer, Quieter and Very Secure.

not just a double glazing company

Starting in 1992 Classic have grown from a very small double glazing company to a very large Home Improvement Specialist in a short space of time.

The company ethos is Quality & Service and Classic is very proud of its reputation for the Quality of its Products and its overall level of Customer Service which in part explains why the company receives over twice the national average for recommendations.

All products whether it be a small window blind, a garage door, a complete kitchen or a large conservatory are of a very high standard and are sourced directly from specialist manufacturers.

Garage Doors

Classic install fully insulated electric remote control roller garage doors. Over 100 colours available.

Top quality window and door blinds
